## SHOW REPORT 2014

AUTOMATION 2014 a grand expo inaugurated on 15Th October 2014. Entire world of AUTOMATION come together for showcasing strength of AUTOMATION. Global and Indian players in AUTOMATION sector displayed their products to show world the importance and significance of AUTOMATION for economic and industrial growth of the world.

Despite Voting in the State & Mumbai AUTOMATION 2014 witnessed extraordinary, astonishing response from Industries and Traders from Maharashtra, Mumbai. AUTOMATION always believes that “BEST GOVERNANCE AND QUALITY PRODUCTION BOTH ARE IMPORTANT FOR ECONOMICAL DEVELOPMENT AND GROWTH.” AUTOMATION 2014 witnessed 44113 trade visitors and 1000 non-trade visitors and students. Consul Generals & Trade Consuls from African and South East Asian Countries and European Countries visited at AUTOMATION 2014.

The strength of AUTOMATION Industry of India is now reached in African Continent. “Republic of Rwanda”, one of the rapidly growing Country at all economical and infra structural levels was a “PARTNER COUNTRY” for AUTOMATION 2014. This is a new beginning for AUTOMATION Expositions. Government of Maharashtra, MIDC and Government of India supported AUTOMATION 2014, which helped Indian AUTOMATION Industry to expand its horizon in Pan India and globally. The whole industrial fraternity witnessed “AUTOMATION IS A TOOL FOR QUALITY PRODUCTION TO SUSTAIN IN COMPETITIVE MARKET”. Industrial World Gears up for AUTOMATION 2014 in MUMBAI. Implementation of AUTOMATION IS A WRIGHT FOR SPEEDY INDUSTRIAL REVOLUTION in any Sector.

Inauguration ceremony started with the grand welcome of Chief Guest Mr. Richard Timoney, Guest of Honor Mr. Joseph KABAKEZA, Chairperson of Board of Governance MR. B.R.MEHTA and other board members along with Managing Director of IED Communications Limited, organizers of AUTOMATION 2014 Mr. M. Arokiaswamy. Traditional music “TUTARI” played while marching of dignitaries to Inauguration site. The TUTARI in Maharashtra, traditionally a bugle-like instrument played for making or announcing of events. Good happenings. Auspicious Lamp lightening was done by the hands of Chief Guest and Guest of Honor along with other dignitaries

As a part of cultural events, Lezim is a folk dance from Maharashtra was performed by dancers. Maharashtra Lezim Dance, dancers carry a small musical instrument with jingling cymbals called the Lezim. Dancers from Republic of Rwanda played beautiful classical folk dance of Rwanda. Mr. M. Arokiaswamy, Managing Director of IED Communications welcomes all dignitaries for AUTOMATION 2014. While addressing, he expressed his gratitude to all exhibitors, supporters for extending valued support & togetherness with IED and AUTOMATION for more than a decade. He welcomes Republic of Rwanda as a PARTNER COUNTRY for AUTOMATION 2014.

Mr. Joseph KABAKEZA, First Council and Dy. High Commissioner of Government of Republic of Rwanda expressed high regards for efforts put by IED Communications to make this AUTOMATION 2014 to such a high profile expo. In his speech he said, This 9th Edition of AUTOMATION 2014 is yet another opportunity for Indian companies to showcase their innovations and products but most importantly, an opportunity for networking and exploring new business links. I have no doubt that the objectives set for this exhibition will be achieved or even surpassed.

Mr. Timoney, President Foundation Fieldbus, USA, briefed on activities by foundation. Chief Guest Mr. Richard Timoney, while addressing said in his speech that Foundation Fieldbus is a part of AUTOMATION Exhibition since the beginning in the year 2002. It is very exciting to understand the augmentation of AUTOMATION in the Industries of all sectors. AUTOMATION is significant instrument for the development and growth of the Industry. AUTOMATION Exhibitions always played very important and noteworthy contribution for getting the knowledge of developed innovations in AUTOMATION, which are useful for various sectors. It is a huge engineering knowledge bank displayed in the AUTOMATION Exhibition. AUTOMATION always helps companies in every industrial sector to become stronger global competitors. To succeed in the business activity, you need the right solution providers, the right technology, and the right expertise. AUTOMATION 2014 will provide it all and more! AUTOMATION 2014 showcases the full spectrum of Automation technologies and solutions. From traditional industrial applications to cutting edge new technologies, you'll find ways to automate every process in your company He said. Mr. Timoney wishes good success for all exhibitors and announce AUTOMATION 2014 is being OPEN!!!
